ALUMINIUM BOAT BUILDERS

## **Health and Safety and Environmental Policy Statement**

Fine Entry Marine is committed to conducting our business in a manner that protects the health and safety of our employees, contractors and the communities in which we operate in. All employees and managers have a responsibility to work safely, to take all reasonable care for their own health and safety, and to consider the health and safety of other people who may be affected by their actions.

Fine Entry Marine is committed to:

- Strive for continual improvement through our approach and ongoing training of our people
- Comply with all health and safety laws, regulations and standards
- Identify and eliminate potential safety hazards
- Providing safe plant and equipment
- Maintaining relevant policies, procedures, systems, information, training, recognition programs, and organisational structures to support and communicate effective health and safety

Fine Entry Marine is committed to conducting our business in a manner that is environmentally responsible to attain this we are committed to:

- Comply with all environmental laws, regulations and standards
- Maintaining, monitoring, reporting, reviewing, auditing and continually improving the Environmental Management System
- Taking all practicable steps to prevent pollution and other adverse effects
- Educating and training our people to continually improve awareness, skills and knowledge of environmental issues and practices

The above mentioned standards will be monitored regularly to ensure their integrity and effectiveness.
